<b>Project title</b>	<b>New Professional Diploma in Plant Clinic and Phytosanitary Technologies (PRO-DPCP)</b>
<b>Project No</b>	<b>609550-EPP-1-2019-1-BG-EPPKA2-CBHE-JP</b>
<b>Work Package</b>	<b>WP2 – DEVELOPMENT (I)</b>
<b>Task 2.4.</b>	<b>Need of books and periodicals for project library</b>
<b>Date</b>	<b>17/9/2020</b>
<b>Dissemination level</b>	<b>Internal</b>

### **Report on need analysis of books and periodicals for project library**

The plant clinic team at the Suez Canal University made a meeting to implement the specific tasks according to the work plan and timetable.

	<b>Name</b>	<b>Position</b>
1	Prof. Waleed I Shaban	Project manager in Suez Canal Univ.
2	Prof. Manal Eid	Vice project manager in Suez Canal Univ.
3	Dr. Mohamed Ibrahim	Consortium of Purchases
4	Abdallah Hossain	
5	Heba M. Abd El Nabi	

The project management team met with the purchase committee on 17/9/2020, the meeting discussed the issues raised, including:

#### **WP 2.4. Purchase books and periodicals for project library.**

The Purchases Committee of the project executive team met and reviewed a survey of staff members and postgraduate students' needs of textbooks, professional books and periodicals that must be available in the library of the botanical clinic that serve the teaching process in the diploma of the botanical clinic that serves the proposed courses for the diploma or related to the program education / training.

This will be available on disposal to students, teaching staff and wider public according to the library rules. Accordingly, the books and periodicals to be purchased from the project budget were determined. The meeting also recommended that the tender process and the procurement needs to be completed quickly.
